## **Comments about Bob Harrington, C.S.W.**

---

**Dr. Norman Vincent Peale had this to say about Rev. Bob Harrington: "Rev. Bob is the most qualified Clergyman in our country to reach America and Stir the Saints into Action. Bob has street smarts and he's not sheltered from reality. Bob has helped people solve their problems from Bourbon Street to Wall Street. He has dealt with the Righteous and the Raunchy, the Mafia and the Madams, the Rich and the Poor. This man, Bob Harrington, is a man on fire for God and Country."**

### **UPI Reporter in Atlanta:**

**Bob Harrington is a "Conbo-Chaplain" He combines:**

**The BOLDNESS of Dr. Martin Luther King  
The determination of Coach Bobby Knight  
The POSITIVE THINKING of Dr. Norman Vincent Peale  
The HUMILITY of Rush Limbaugh**

**What a package for a preacher who's positive.**

**COACH LOU HOLTZ, NOTRE DAME: "Bob is a master motivator for the Master."**

**COACH PAUL "BEAR" BRYANT, UNIVERSITY OF ALABAMA: Bob, you are my hero!"**

**MADALYN MURRAY O'HAIR, AMERICAN ATHEIST LEADER: "Bob Harrington is the only "so called" Christian minister I have invited to speak to our National Atheist Convention. He did and he's good."**

**LARRY FLINT, PUBLISHER OF HUSTLER MAGAZINE: "It took the boldness and belief in God that Bob Harrington has to reach me for God. He performed my marriage Althea and he was the minister to lead in her funeral service." In 1976, Bob explained to Larry God's plan of salvation. On his knees with Bro. Bob, with Althea witnessing, Larry gave his heart to Jesus. He went to crusades with Bob to give his testimony. He was later shot down on the streets in Georgia and is now very, very rebellious.**

**SAMMY DAVIS, JR., SINGER AND ACTOR: "It was Bro. Bob's "gut-level" preaching and caring that caused me to have him fly to Via Reggio, Italy and help me get my life in order. He did and I did, and we told this story on my TV show"Sammy & Company."**
